

WEBINAR SESSION 12 (Sept 2019) – RECOMMENDATIONS FOR ACTION

Final Monthly Webinar: Fitting WASH into Quality of Care

These recommendations provide insight for ensuring quality of care (QOC) in healthcare facilities (HCF).

1. Become part of the national, district and facility technical working group on QOC.
2. Engage with learning districts and quality improvement teams.
3. Link WASH assessments and responses with QOC assessments and responses.
4. Report and disseminate results.
